

NOTE: This guide is intended to help businesses understand guidance provided by Memphis and Shelby County public and health officials for Phase 1 of Reopening. For full details of phased reopening guidance, visit the Shelby County Health Department's website at <http://www.shelbytnhealth.com> and <https://backtobusiness.memphistn.gov>.

COVID-19 Reopening Requirements Reference Guide for Memphis & Shelby County Businesses, Phase 1

The City of Memphis and Shelby County require all entities to comply with the following set of universal guidelines at all phases of reopening.

1. Implementation of COVID-19 Compliant Protocol
2. Adherence to social distancing protocol as outlined by the Centers for Disease Control (CDC).
3. Adherence to sanitization practices as outlined by the CDC.
4. Encourage and facilitate telework and minimize business travel to the greatest extent possible.
5. Implementation of policies to ensure employees do not work when ill.
6. Adherence to all other applicable CDC and industry "best practice" guidance and regulations.

[For complete details on which businesses are included in Phase 1 Reopening and an overview of phases 1-3 by industry sector, visit <https://backtobusiness.memphistn.gov/framework/#sector-grid>](https://backtobusiness.memphistn.gov/framework/#sector-grid)

Recommended Change	Change Type	Topic	Supplemental Resources
Cooperate with health authorities' efforts to prevent and control the spread of COVID-19.	Behavioral	General	N/A
Compliance with all federal and state business COVID-19 safety requirements, whether industry-specific or not, such as, for example, Occupational Safety and Health Administration (OSHA) requirements.	Behavioral	General	OSHA Requirements Re: COVID-19 by Industry
